

# CENTER FOR ADDICTION TREATMENT

Recovery Within Reach

## OUR MISSION

**Saving lives and rebuilding families  
by providing addiction recovery tools**

## WHAT IS ADDICTION

It is important to recognize that addiction is a brain disease, not a moral failing. When addiction takes over, a person's ability to exert self-control can become seriously impaired. As dependency develops, a person's brain chemistry also changes. These brain changes demonstrate that addiction is a chronic disease, which can be helped by specialized treatment.

But there is hope. At CAT, you or your family member or friend will find a compassionate, professional staff using the newest scientific advancements to provide recovery in a clean, safe environment.

A better life is waiting for those who reach for recovery.

## RECOVERY WITHIN REACH

Since 1970, Center for Addiction Treatment (CAT) has helped those affected with addiction by providing safe, effective, affordable treatment.

Conveniently located in the center of the tristate area, CAT provides personalized care and tools for lifelong recovery:

- Assessment and treatment of patients with addiction to drugs, alcohol or gambling
- Medically monitored and ambulatory detox
- Short-term residential treatment
- Outpatient medication-assisted treatment paired with counseling
- Family education and counseling
- 12-week AfterCare Program

Individualized treatment, partnered with a vibrant recovery community, enhances the recovery process and provides the best chances for success.

## RECOVERY STARTS TODAY

It's simple. Call one of the caring, confidential admissions professionals at (513) 381-6672 to discuss your needs.

Center for Addiction Treatment (CAT) is funded in part by the Hamilton County Mental Health and Recovery Services Board, the City of Cincinnati and the United Way of Greater Cincinnati. CAT is accredited by the Joint Commission and certified by the Ohio Department of Alcohol and Drug Addiction Services.
