**CAT Overview**

Since 1970, the Center for Addiction Treatment (CAT) has provided high-quality affordable treatment for patients with addiction to drugs, alcohol or gambling. As the only non-hospital-based medically monitored detox facility in the region, CAT provides individualized care through short-term residential and intensive outpatient services, medication-assisted treatment, counseling, an after-care program and a comprehensive family education program. Today CAT has thousands of alums who are on the path to recovery and leading sober lives.
